

What are the contemporary patterns of global migration?

Country of origin of UK immigrants	Number of immigrants resident in UK (million)
India	
Poland	
Pakistan	
Ireland	
Germany	
Bangladesh	
USA	

Country of destination of UK emigrants	Number of UK emigrants resident in destination country (million)
Australia	
USA	
Canada	
Germany	
Bangladesh	
USA	

Population change = (births - deaths) ± international migration

Current spatial patterns in international migration flows:

Numbers, composition and direction of current international migration flows:

### Inter-regional migrant flows

### Intra-regional migrant flows

**Italy arrivals by sea 2014. (page 218 Table 7.3)**

Country	Men	Women	Minors	Total
Syria				
Eritrea				
Mali				
Nigeria				
Gambia				
Palestine				
Somalia				

### Lee migration model:
